

Demonstrating the Key Features of Sage 200

Our aim is to provide you with a good overview of how Sage 200 works so that you can see how it can benefit your business.

If you are using Sage Line 50, Line 100 or MMS, you will see the main differences between the packages, allowing you to consider the advantages of upgrading.

Specific Areas Covered:

- *Purchase, Sales & Nominal Ledgers*
- *Workspaces – view your data the way you want to!*
- *Business Intelligence Reporting*
- *Stock Control*
- *Project Accounting*
- *Customer Relationship Management (CRM)*

We welcome your questions and are delighted to discuss any specific issues on an individual basis after the presentation has finished.
